Please see S.E., K.I.C.'s letter No. G-5 dated 11-2-51, enquiring whether the Concession of Water allowance sanctioned by the Collr-Commissioner S.D to Govt. Servants stationed at Dharwar can be extended to part time Govt. Servants who are paid from contingencies. The Commissioner's Order sanctioning Water allowance to P.W.D. Staff is at P. 19 in the Commissioner's papers.

2. On the abolition of the Posts of Commissioners the Collectors of Districts have been authorised to grant Water allowance to Low paid Govt. Servants. X It appears from the S.E.'s letter that he is enquiring for the period from 1-1-1950 to 15-6-1950 i.e. prior to the issue of the above G.R. The question regarding the grant of Water allowance is a matter with which pertains to the F.D These papers may be transferred to that Dept. for disposal after N.O.2.

These papers have been referred to F.D with reference to para 2 of the RD note dated 2-5-57 overleaf.

2. Although the orders re grant of wales allowance have been issued by this Deptt in GR (F) No 3513 dated 8-12-50, it is not the function of this Deptt to consider all such cases, but it is the function of the administrative Depts concerned to consider such proposals in consultation with this Deptt. The proposed transfer of these papers may not therefore be accepted

3 As regards para 1 of the RD note overleaf it may be stated that the Wale allowance is granted to only full time Govt Servants & not to part time Govt Servants as these servants work for only part time for Govt & in these spare time they do some other work & earn more money & so they are not eligible for the grant of Wale allowance.

2. It will be seen from para 3 of the foregoing note* dated 9-5-51 of the F. D that part-time servants are not eligible for water allowance as they do some other work and earn more. However as it is the function of the administrative dept. concerned to issue final Orders in the matter, these papers may be transferred to the P. W.
